From the Editors Messy Desk:

BANKRUPT

Please read and react! No news is not good news!

The editor's job has landed on my messy desk and now I'm reduced to an $8\frac{1}{2} \times 11$ pad area from a 30" x 48" desk. (I'm still not metric).

I'm pleased with the challenge of trying to put Anee together, as I view it the integral instrument of communication between you and the issues and concerns in Outdoor Education. With each editor, changes come and go. I'm proposing some changes and you will see them in the next issue. To be vibrant, Anee needs your constructive criticism - please offer it.

Here are the changes which you will see in the next issues.

- 1. FORMAT We're going bigger 8½ x 11, two columns similar to the 1983 Interpretation Proceedings, Bark Lake. It is easier to read, will save money, we can get more information onto the page and we think the new look is timely.
- 2. COVER STORIES Each issue will have a cover story or theme. Hopefully half the issue will be devoted to articles both sides of the topics, some controversial.

 We anticipate that you will be able to use the articles for your own papers, with you students and/or for your own further thinking. Proposed topics are:
 - i) The Conservation Ethic
 - ii) Values Education in Outdoor Education
 - iii) Acid Rain
 - iv) Childrens Literature on Environmental Education
 - v) The Great Lakes An Ecosystem
 - vi) Urban Studies

If you have other topics you wish addressed please let me know!

EQUALLY IMPORTANT!!

If you wish to submit ideas, papers, resources or references on these issues please let me know. I need your input.

Each issue will have some reminders! Here's what we need from you:

- A. ideas
- B. short articles and papers 2 8 pages. (These may be synopsis of papers you have already done.)
- C. ideas for students Tips and Tricks.
- D. announcements
- E. cartoons
- F. book reviews

Are you a member of another organization of similar interest? We would like to receive news items from you to publish in Anee.

I look forward to the challenges and hope you'll assist.

COCO COUNCIL OF OUTDOOR EDUCATORS OF ONTARIO

TO THE MEMBERSHIP:

This is a good time to begin thanking some people for the work that they've been doing for COEO in 1983-84.

I'd like first of all to say thank you to Judi McCutcheon, the Editor of Anee, for the excellent issues that she compiled and organized. Being the Editor of Anee is a difficult and time-consuming job for anyone, and Judi has managed to work at the Vivian Outdoor Centre for York Region, teach environmental studies Courses at York University and still find time to give to COEO.

At this time, however, for the next three issues of Anee, the Editorship has been assumed by Brent Dysart and a group of interested members in Western Region. Please address materials, notices, advertisements and and articles to Brent at:

Brent Dysart, Editor Anee Waterloo County Roman Catholic Separate School Board 91 Moore Avenue Kitchener, Ontario. N2G 4G2.

He's expecting your support in order to produce three more issues of Anee this year!

This year for the first time two all day executive meetings have been held during the work week. Permission to attend these meetings was obtained for executive members and regional representatives by contacting employers and making them aware of COEO and its objectives, impact, and service to membership. Other kinds of support to COEO included printing at cost, secretary time, meeting locations and refreshments, consultant contacts, film arrangements, book cataloging and mailing.

We would like to thank the following for their support of COEO:

The Board of Education for the City of North York
The Board of Education for the Borough of York
The Hamilton-Wentworth Roman Catholic Separate School Board
The Carleton Board of Education
The Peel Board of Education
Peterborough County Board of Education
The Sudbury Board of Education
The Ministry of Natural Resources
Ottawa Board of Education
The Ministry of Tourism & Recreation
Toronto Board of Education
Hamilton Board of Education

There are many other individuals who have contributed greatly to COEO this year, and for many previous years as well.

THANK YOU TO.....

JOHN AIKMAN

 for all of the hassles involved with being membership secretary. Let's get those memberships in early this year.

HUGH MCPHERSON

- for juggling the figures and turning red into black. Ever think of being a magician, Hugh?

DIANE McLIMONT

 for trying to revitalize the Western Region by a lot of hard work and personal dedication and determination (with Phil's help too!)

BARRIE MARTIN

 join Barrie and Northern Region for a "Spring Celebration".

SHEL LOWE & EILEEN CONROY

- they're working hard to get ready for Conference '84 in Sudbury.

ROD FERGUSON

- for organizing the update of the catalogue of Outdoor Education personnel and programs.

JUDY SIMPSON

- for your role in Central Region's successful programs, "Make Peace With Winter", monthly meetings, Volks Skilauf (maybe next year?) and regional coordinator leadership.

CATHY BEACH

 for encouraging member participation in Eastern Region and planning two exciting new programs the Warsaw Cave excursion and white water rafting. Do it in caves and on the water!

DOROTHY WALTER

 for her patience, prodding, encouragement, active involvement, wisdom and wit.

GERRY BEST

 for his love of adventure and wilderness, and his corresponding interest in COEO!

PETER HERLIHY

- for his quiet, tactful, philosophical ways and his intellectual guidance.

SKID CREASE

- for his energy and enthusiasm, canoe workshops, clever repartee, optimism, and for allowing himself to be coerced into leading the preconference seminar '84.

There are many other active members of COEO who make valuable contributions to the organization, so thanks to all of you who take "extra" time for us.

More to come next issue:

JAN STEWART Chairperson

FROM THE ADVISORY BOARD

1. Call for nominations to the Advisory Board

Two positions will come vacant at the Annual Meeting of COEO this fall. Members in good standing (paid Subscription) who wish to contribute their enthusiasm and skills to the support of COEO are invited to volounteer. If you know someone who is able and willing to serve please let us know.

Nominations should be in by May 31st.

Meetings are almost monthly through the school year. The normal term is three years.

2. Robin Dennis Award

This award is in memory and recognition of the 'founder' of the Toronto Island Natural Science School, a major contributor to the development of outdoor education in Ontario.

The award is given to an individual or a programme which has made an outstanding contribution to the field of outdoor education.

Nominations for 1 and proposals for 2 should be sent to: Hugh McPherson, Judy Simpson or Pete Herlihy - addresses on cover

A PERFECT CONSTITUTION?

Maybe we have a perfect constitution. However, change is so rapid these days that parts of it might be out of date. The only regular opportunity we have to make changes is the Annual Meeting in the fall.

Consider first what COEO is to you and whether you get from it what you expect/deserve. Having made a note of these, have a look at the constitution and decide whether its present form is the best to fit your expectations and needs. There is a copy of the constitution in ANEE of July 1983 and it will be published again in one of this summer's numbers.

We would be pleased to know your views and suggestions (even if they do not involve a constitutional change). If you are proposing a change, please be specific in wording and indicate where it should be inserted or what it replaces. Deadline is 1st.May. (I wonder if that should be changed!)

Proposals to Cathy Beach, Lloyd Fraser or Pete Herlihy.

Western Region

CO20 COUNCIL OF OUTDOOR EDUCATORS OF ONTARIO

CELEBRATE SPRING '84

a workshop sponsored by: Western Region

DATE: Sat. May 26, 1984

TIME: 9:30 a.m. to 4:30 p.m.

LOCATION: Kinsmen Centre, Sarnia, Ontario

HOST: Dianne McLimont

THEME: RESOURCES FOR OUTDOOR EDUCATORS

TOPICS TO BE COVERED

- school playgrounds and local parks, outdoor centres
- games
- volunteers
- nature photography
- share sessions (Total involvement by workshop participants will be encouraged in this time slot. Please bring an idea, theme, game, puppet, outdoor cooking tip, even a problem, to share.)

Please dress appropriately for outdoor participation.

A deli-luncheon will be provided.

Cost: \$15.00

Registration is limited -- to reserve your place, please contact:

WESTERN REGION

COCO Council Of Outdoor Educators Of Ontario

A good time was had by all at the Pinery last January. The bright sunny weather and crisp cold air made for perfect cross-country skiing conditions on the well-groomed trails. We enjoyed the winter bird life and following animal tracks in the snow. There were a number of well used deer foraging areas.

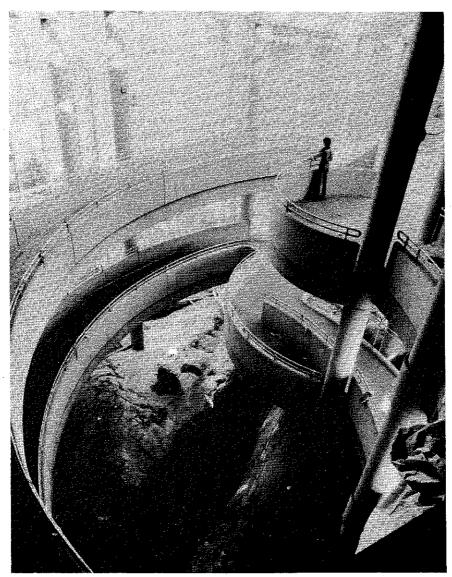

Western Region invites one and all to its annual Point Pelee bird hike and wildflower walk. All interested should meet behind the Interpretation Centre, May 12th, 1984, at 9:00 a.m. (Please note: Some of us will be in the Park at sunrise!) Come dressed for the weather.

CELEBRATE SPRING *84, a workshop sponsored by Western Region, takes place on May 26th, 1984, from 9:30 a.m. to 4:30 p.m. All interested in attending should remember to register early, for space is limited. Resources for Outdoor Educators is the theme. Topics to be covered include school playgrounds, local parks, outdoor centres, games, volunteers, nature photography, and share sessions. Look for further details and a registration form in this edition of ANEE. See you there!

An important note from your Western Region Rep:
Notify Dianne McLimont immediately should you wish to be a
Western Region volunteer. If you have nominations for our Western
Region Executive, or for the Representative to the Advisory Council,
do not hesitate to call or write. Its a rewarding experience,
providing both personal and professional growth.

CONFERENCE '84'

September 21, 22 and 23 SUDBURY, Ontario

COUNCIL OF OUTDOOR EDUCATORS OF ONTARIO

CO60

GENERAL INFORMATION

The Far North Region is again pleased to be your host for the Annual Conference. The Conference committee is bent to the task of providing an exciting program that will have something for everyone.

To make it easier for the 'Southerners' to get to Sudbury we are attempting, with the help of Sue Brown and Brent Dysart, to provide two buses from the South. The buses will leave from Kitchener and Toronto at twelve noon on Friday, September 21. If interested, fill in the appropriate card and send it to the contact person in your area. The buses will run only if numbers warrant it. The cost of the buses is to be remitted with your conference registration prior to September 7. The buses will leave from the respective field centres.

The registration fees include all session costs (except the Killarney Sailing), two breakfasts, two lunches and the Saturday banquet. Also included is admission costs to Science North and the Big Nickel. Travel to the different sessions will be provided.

While we would appreciate everyone registering before September 7, it is absolutely necessary for those interested in the following programs to do so as we are limited to the numbers we can accept.

Full Day Programs

- Killarney Sailing
- Rock Climbing
- Canoe Killarney

Half Day Programs

- Instructional Sailing
- Orienteering

You will be notified if you are accepted in the above programs.

Persons wishing to travel by the conference buses must pre-register.

PROGRAM

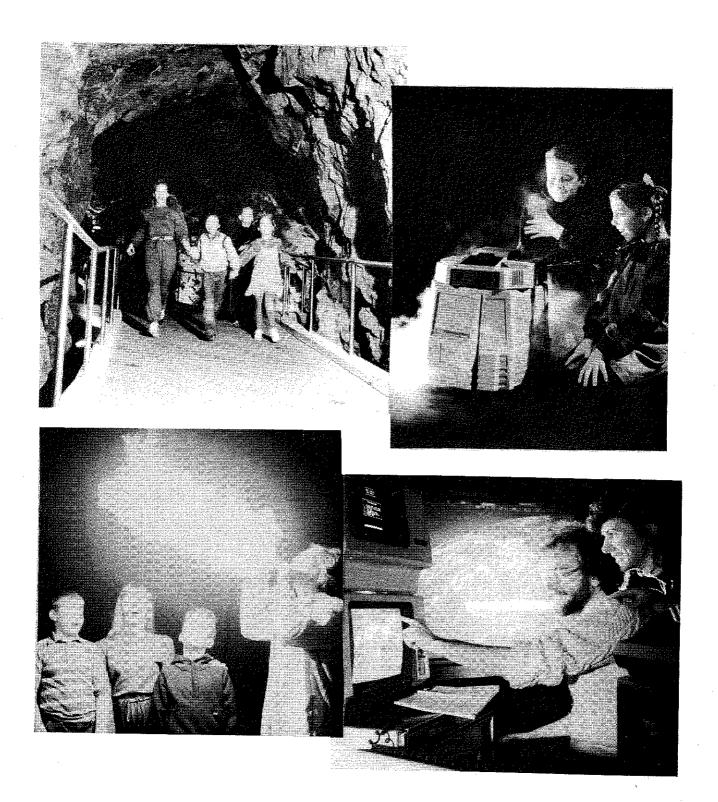

SCIENCE SCIENCE NORTH NORD

The major highlight for many will be Science North, Sudbury's new world class nature and science showcase. A refreshing experience awaits everyone from the time you enter the grounds, to the facility itself and to the many and varied exhibitions contained within.

BIG NICKEL

Another exciting session will feature the Big Nickel, a mining and geology exhibit where you may go underground and experience both old and new mining methods.

KILLARNEY SAILING

Leave from the quaint Killarney harbour for a day's sail aboard 30 and 40 foot sailing yachts. Not a leisurely cruise as you will be the crew. Dress appropriately. Sorry but we have to charge an extra \$15.00 for this one.

ROCK CLIMBING

We are offering an introductory climbing session in Killarney.

CANOE KILLARNEY

Killarney Provincial Park is one of the most beautiful areas in the Province. (We are biased.) The day-long paddle will include George, Killarney and O.S.A. lakes.

INSTRUCTIONAL SAILING

Spend an afternoon on beautiful Lake Ramsey learning the basics of sailing.

GREENING OF SUDBURY

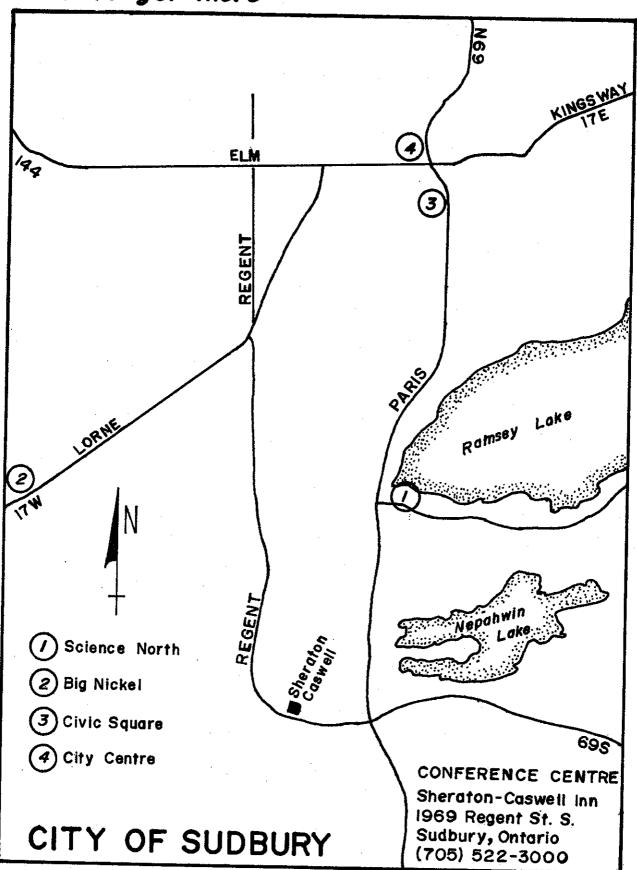

Sudbury is changing its image. No longer is there pare rock everywhere but rather new vegetation has taken hold thanks to major efforts of people like Keith Winterhalter who will take you on a tour of the land reclamation project.

NEW GAMES FESTIVAL

Join the people of Sudbury in a celebration of fun and good times.

OTHER HIGHLIGHTS

- Arctic Oasis
- Gifted Students and Outdoor Education
- Trail Nutrition
- Adventure and Creative Playgrounds
- Urban Outdoor Education

EASTERN REGION NEWS

Our Winter Get-together in the "Far-East" (Ottawa Valleyites) was held at Macskimming's Pioneer Village on Saturday February 25th and was a resounding success. A real cross-section of local outdoor educators met for a relaxing morning of cross-country skiing, snowshoeing and enjoying the bush without 35 lovable students to account for! Over a friendly and hearty meal of REAL baked beans (Jane's secret recipe), and very freshly churned ice-cream, ideas, thoughts and common concerns were shared. A local committee headed by our own Rod Ferguson was formed, with the intention of organizing local events and workshops to support and further outdoor education development in the area, the first of which will be a co-operative workshop on outdoor education in the schoolyard, to be held some time in the fall. Watch for it!

Thanks to Carmel Hunt, Lynda Reader, and Jane Ritchie for organizing the gettogether, and to MacSkimming Outdoor Education Center for offering the use of their comfortable village.

"OUR FRAGILE WORLD— A CHALLENGE FOR THE OUTDOOR COMMUNITY"

SECOND INTERNATIONAL CAMPING CONGRESS

March 3-5, 1987

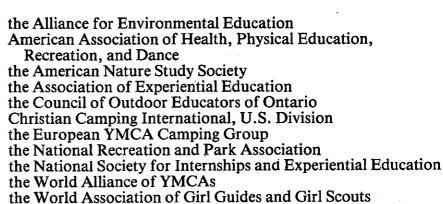

Shoreham Hotel

Washington, D.C.

*Jointly Sponsored by

the American Camping Association the Canadian Camping Association the Jamaica Camping and Hiking Association the National Camping Association of Japan

*In Cooperation with

Purpose

The Second International Camping Congress is an event to bring together the practitioners of the outdoor experience movement from many nations and related organizations to examine the elements of our fragile world which challenge the organized camping, environmental, and experiential education community to impact participants for future action.

Specifically, the Congress shall seek:

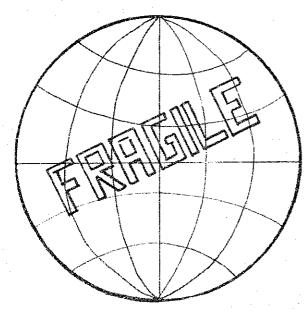

To share current knowledge and techniques in organized camping and outdoor environmental and experiential education.

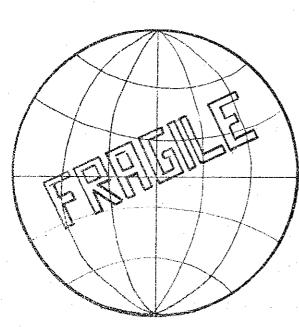

To consider global issues such as peace and conservation which can be impacted by the outdoor experience movement.

To explore with a global perspective the future trends of the camping, outdoor environmental and experiential education movement and the implication on culture.

To foster an atmosphere of personal sharing across international and interdisciplinary lines.

If you are a member of one of the aforementioned organizations, watch for further information from your organization. If you are not already a member of one of these organizations and wish to be placed on the mailing list for the Congress, write Second International Camping Congress, c/o American Camping Association, Bradford Woods, Martinsville, IN 46151.

SPRING OUTDOOR LEADERSHIP COURSE

May 18-20, 1984

CONDUCTED BY: Lorado Taft Field Campus, Northern Illinois University, in cooperation with the American Camping Association, Box 299, Oregon, IL 61061 - Phone (815) 732-2111 or 753-0200

PROGRAM AND PEOPLE SKILLS IN ACTION

The Second Annual Short Course for Camp Counselors, Program Specialists and other Outdoor Leaders will be offered at the Lorado Taft Field Campus on the weekend of May 18-20, 1984. The course will offer one undergraduate (CIOE 490) or Graduate *(CIOE 590) credit in education. The Workshop in Outdoor Education: Outdoor Leadership will focus upon programming and "people" skills. It will serve as a pre-camp orientation session and is designed for outdoor leaders. The workshop will begin with a buffet supper on Friday at 6:00 p.m. and end Sunday at 2:15 p.m.

Participants will select Track I or Track II - Track I is designed for Counselor/Program staff, coordinated by Gordon Kaplan, IL Sec. ACA and Track II, designed for Administrative/Supervisor staff, coordinated by Jack Weiner, WI Sec. ACA.

Workshop topics and leaders include:

"Adams' Apple: A Human Relations Camp" "Teaching Safety Through Environmental Briefings"

"A Primer for People Skills"

"Transforming an Unruly Mob Into A Cooperative Group"

"Camp Organization for Human Relations"

"Peacemaking and Conflict Resolution Skills"

"Program Planning for Ecology"

"Using Crafts for Developing Communications Skills"

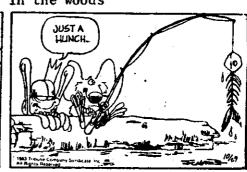

Betty Adams, Director Alan Hale, Director National Safety Network Clifford Knapp, Chair, Outdoor Teacher Education, NIU Joseph McNicholas, Graduate Teaching Assistant, Lorado Taft Campus, NIU Glen Oswald, Administrative Asst./ Program Director, Lutheran Outdoor Ministries Center, Oregon, IL Aline Stomfay-Stitz, University Supr. Curriculum and Instruction, NIU Sonia and Robert Vogl, OTED Faculty, Lorado Taft Campus, NIU Morris "Bud" Wiener, OTED Faculty, NIU

. . . and more! We will also share a campfire, night walk, closing ceremony and a special demonstration cookout by Dr. Wm. Stark, OTED Faculty, NIU, plus other all group activities. Dress to be outdoors (even in a May shower).

- Meet people from camps all over the midwest
- Get ready for your summer camp job
- Earn an undergraduate or graduate credit
- Spend a weekend outdoors in the woods
